

Home Staging –

How to sell your home faster and for more!

So you are selling your home; and you want top dollar. Like a great recipe it takes good ingredients and a know how to combine all the components to maximize the end product. What in the world does this have to do with selling your home; in a word Staging.

Ok, you watch HGTV, you've seen before and after pictures, but how do you make staging work for you? A great REALTOR® will be able to give you suggestions on how to maximize you home. They will also know a professional Stager who can come in and work with what you have. Yes Stagers charge a fee, but it is usually well worth the \$150 to \$300 an hour you pay.

Did you know some REALTORS® are trained in Home Staging, at Weaver Realtors the Broker Owner, Georgia Weaver is an accredited Home-Staging Specialist! She is trained on how to prepare your property to attract the highest number of Buyers. Recommendations on getting your property ready to list are a free service our brokerage offers.

When you are considering hiring a REALTOR® to sell your property, consider all the advantages each REALTOR® offers. The ability to staging is a huge benefit when it comes to get your property sold.

Call our office today to see what Weaver Realtors has to offer or to learn more about preparing your property to sell. 607 Lake Avenue, Storm Lake Iowa or 113 Main St Alta.
